

BIOSENTA ANNOUNCES SECOND NATIONAL RETAILER TO SELL ZEROMOLD™

Toronto, Ontario (June 12, 2014) - BIOSENTA INC. (“Biosenta” or the “Company”) (**CSE: ZRO**), is pleased to announce that it has completed a sales listing agreement with one of Canada’s largest grocery retailers for **ZeroMold™** to be sold across the country. Shipments of **ZeroMold™** to this retailer commenced on June 9.

This listing agreement represents the **SECOND** national retail distribution agreement announced by Biosenta which places the Company ahead of the milestones announced on March 27, 2014, whereby the first two distribution agreements were expected on or before June 30. The Company continues to work towards broadening the availability of **ZeroMold™** through national retailers across Canada.

“We are pleased to be able to offer **ZeroMold™** to our customers through one of Canada’s largest retailers,” says Biosenta CEO Chris Bilz. “**ZeroMold™** is a perfect solution for any household that has encountered mold of any kind in bathrooms, basements and even on garden furniture because unlike many other cleaning products, **ZeroMold™** actually kills the mold spores that affect personal health rather than just cleaning the blackened area that can be seen by the naked eye. We are excited to make this product available on an ever expanding basis through recognized retailers across Canada.”

About Biosenta Inc.

Biosenta Inc.’s line of retail anti-microbial products will effectively kill mould, bacteria and fungi on contact and prevent re-growth. These products address the demand created by the mounting health and environmental concerns. Mould can affect the immune system, nervous system, liver, kidneys, blood and can cause brain damage.
